

COOK, EAT, AND CHAT SMAAK OP ACHT

SATERDAY, MARCH 22, 2025!

JOIN AND SIGN UP NOW!

On Saturday, March 22, 2025, the second edition of "Smaak op Acht" will take place – a fun, cozy, and surprising evening!

What's it all about?

A delightful evening of cooking and dining where three different duos come together at a different home in "Acht" to enjoy an appetizer, main course, or dessert. For each course, you'll sit at the table with two new duos at another address, hosted by one of the duos.

You register with a cooking partner, which could be your partner, a friend, or someone who also lives in Acht. Together, you'll prepare one course. You'll find out in advance which course that will be. Who you'll host or where you'll go for the other two courses will be revealed on the night itself.

Due to the success of the 2024 edition, there's a limit to the number of participants. So don't wait too long – sign up quickly!

WILL YOU JOIN US?

No need to be a top chef! It's all about having fun together and getting to know your neighbours.

HOW DOES IT WORK?

- After registering, you'll receive an email about two weeks in advance letting you know which course you'll prepare.
- Each duo will prepare one course for six people, including drinks, at their own home, based on their skills and budget.
- The evening begins at the community center, where you'll receive an envelope with your dinner schedule: where you'll eat each course and who your dining companions will be.
- Follow your own route and enjoy a surprising three-course dinner.
- After dessert, everyone gathers back at the community center for more fun and laughs.
